# Issues & Challenges Identified (1/2)

*As the COVID-19 crisis unfolds, it is bringing forth some unprecedented challenges for communities living across remotest and poorest rural pockets of India*

## Immediate Challenges

**Persistently increasing influx of migrant workers towards their home towns/villages**

**With Hatias / Mandis all closed, there's no cash income for rural poor**

**Safeguarding health and well-being of residents as well as migrants workers at large scale**

**Difficulty in procuring food material / safety essentials, while trying to ensure zero hunger**

**No transportation facilities available to ferry essential items from cities to villages**

**Facilitating COVID tests, preparing quarantine homes, and minimizing instances of mortality**

# Issues & Challenges Identified (2/2)

*There are certain issues and challenges which are lurking in the near future and are anticipated to give rise to some grave concerns as an aftermath of COVID-19 crisis*

## Challenges Ahead

For Communities

For CSOs

With no crop harvesting as of now, there's no security of future income

Lack of investment for Kharif season cropping as no income is being generated currently

Uncertainty & duration of lockdown and COVID-19 crisis

Ensuring livelihood and limiting distress migration of vulnerable communities once the crisis is over

Future action planning and remodeled interventions CSOs may require as aftermath of COVID-19

बेंगलुरु में फंसे चक्रधरपुर के मजदूर राउरकेला अंतर्गत बालुघाट गांव में एलएंडटी कंपनी और बेंगलुरु के जेएमसी प्रोजेक्ट लिमिटेड में चक्रधरपुर के भरनिया पंचायत के कई मजदूर फंसे हुए हैं। इन्हें खाने-पीने की भी समस्या हो रही है। इसकी सूचना मिलने पर प्रदान संस्था के लोगों ने उनसे संपर्क कर आल इंडिया स्टूडेंट्स एसोसिएशन की मदद से उनतक राशन और सहायता पहुंचाई गई है।

# Tackling COVID-19: Convergence to Support Ultra Poor Families

*PRADAN's Chakradharpur team join hands with block administration, PRI, local leaders and VOs to fight against COVID-19, facilitate identification of ultra poor families across villages, and provide them ration & access to pension fund*

# Tackling COVID-19: Knowledge Platform 'Sampark.Net'

*In these unprecedented times, we're in dire need to come together, collaborate, and join forces to defeat the COVID-19 pandemic*

To tackle the COVID-19 crisis in a holistic and collaborative manner, PRADAN has set-up a 'Knowledge Exchange Platform' as a one-stop-solution for information updates, collaboration, queries, and expert opinion

# Gratitude & Thanks To Our Donors & Supporters

# Our Call for Collaboration & Support

*Despite the best efforts of our government, some issues may remain unaddressed; CSOs have a major role to play and bridge any existing gaps in terms of extending support to the government and facilitate the last mile reach*

## Issues at Grassroot Level

Some rural community members may not have any of these linkages

- Jan-Dhan Account
- Ration Card
- Adhaar Card
- MGNREG Enrollment

## Complementing Government Efforts

## PRADAN's Target Out-Reach

**114 Blocks** spread across **36 Districts**  
*(Each block is anticipated to comprise ~1000 Vulnerable Families who lack documents to avail government facilities of PDS and other entitlements & provisions)*

*To support every such family, create mass awareness across blocks, minimize occurrence of COVID-19 incidents, and ensure zero hunger, we'll require ~INR 15 Crore*
